Held Virtually Every Wednesday 5:30-7:30 pm

REGISTRATION COST: \$400.00

Registration cost includes 2 manuals and class materials

REGISTER HERE

REGISTRATION CLOSES OCTOBER 2, 2024

This Short Course is an in-depth review of the information necessary to pass the Ornamental and Turf/Golf Course Superintendents State of Connecticut Supervisory Pesticide Applicator Certification (category 3A) exam. This short course consists of eight modules that the student can complete independently. An instructor will meet virtually with the students weekly to review each module topic and answer questions. Expect to spend study time reviewing each module topic outside of the review class.
